Procedure Statement

Payments to Independent Contractors are created online in the same manner one creates a campus voucher to a vendor.
Forms and Instructions

- Form 708.1.1f - Employee-Independent Contractor Determination Checklist

1. Acquire pre-approval from Disbursement Services per 708.1 – University of North Carolina at Chapel Hill Procedure on Independent Contractor Predetermination Process.
2. Make sure promised service is received from the independent contractor (IC).
3. Create an independent contractor payment through ConnectCarolina.
4. Use the same form that has already been filled and approved during determining independent contractor status as the backup.
5. If an invoice is provided by the IC, include that with the documentation.
6. Documents will be processed on a first in, first out basis.

Detailed instructions and a training video can be found on the Finance and Accounting Training webpage.
